CTK's transmissions in English, French, and Spanish radioteletype for Havana are now transmitted on OLF2, 16455 kcs, a shift from OLU2, 21780 kcs.

CTK recently inaugurated an English/French radioteletype cast for Africa using 14584, 12312, and/or 6952 at 08:00 to 11:00, 12:30-16:30 (not Sunday), and 18:00-21:00 (daily).
